How do I register my vaccination status?

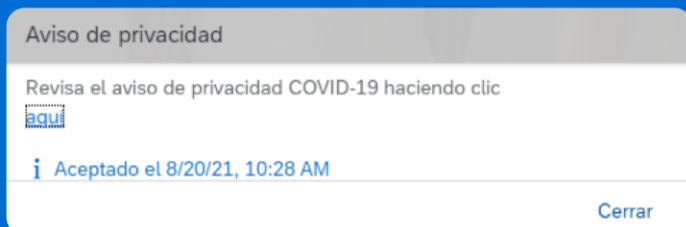

1 Visit the web site:

2 Log in with your Tec user and password.

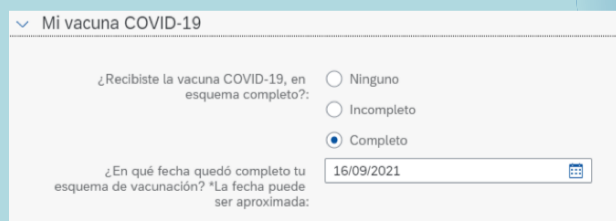

3 Read and accept the Privacy Notice, as well as review the “Conscious Return” letter.

4 Click on the box “My health status today”.

5 If you received a single dose of the COVID-19 vaccine, select “Incomplete”. If you already have both doses, select “Complete” and add the date your vaccination schedule was completed.

6 Done! Once you have filled out this section, you’ll have access to Campus.
