Why residences?

You are the most important thing for us, that is why Residences is characterized by providing security to your personal integrity 365 days a year.

You will meet people with common interests who will become your new family.

Nearby to Campus, it allows you to concentrate on your studies while enjoying the company of friends who will make you feel at home.

Multiple common areas to live together, we have social areas with screens, rooms and work tables; common rooms with football table and billiard, kitchen, grills, pool, gym, etc. *(subject to availability according to Building).*

Wellness Model

As a resident, you will live our Wellness Model, which is designed to make your experience on campus unique. You will develop a healthy and independent lifestyle by having greater access to teachers, student clubs, and campus facilities that will support your growth. Residencias Tec is the best place for you to make friends, as it has a large number of events in which you can help as staff, organizer or participant. You will be integrated into sports, cultural and leadership activities through LiFE Department.

Life

Support others. Form communities. Live and study in a pleasant environment. Develop healthy habits. Generate personal relationships. Events organized by each campus, for example: Student Welcome organized each semester, Fashion Week, The Voice, and Talent Show. Events during final exams. Delivery of awards to outstanding residents. End of Course event.

Level

For more than 15 consecutive years, residents have obtained the best academic grade point average compared to foreign students who do not live in Residences and to local students who live in the city with their families. As a resident, you will have the opportunity to request academic support from tutors through advice on subjects that are difficult for you and/or support from expert advisors who will supervise your adaptation and integration to Tecnológico de Monterrey and to the student community.
